11/05/01 Ms. Maureen Stricker called and requested a photo taken of her son, Johnathan Sticker, w/ the Governor. She would also like to make sure that Kushboo Agrawal is also included in the photo.

Johnathan Stricker and Kushboo Agrawal are both MS State Advanced Placement Scholars, both of whom graduated from St. Andrew's last year. They are now attending Vanderbilt.

This request was on Sch. Memo dated Nov. 1st, Pg. 49. They requested sometime during the week of Thanksgiving. The Gov. circled "Conflicts". Jill gave nice verbal regrets to contact person: Patrick Taylor @ 853-6027 @ St. Andrew's School where Johnathan and Kushboo attended. Patrick called Ms. Stricker, who called me back very upset that the Gov. has conflict the week of Thanksgiving and can't work in a picture of her son and Kushboo. I explained to her that the Gov. would love to have been able to do this, but he will be out of the country the 1st part of the Tksg. Holidays. However, Ms. Stricker still wants a picture and suggests that maybe the Gov. can schedule a photo for Jan. 2, 2002 while her son and Kushboo are home for the Christmas/New Year's Holidays.

Jill is ckg. w/the Gov. to see if wed. Jan. 2 @ 9:00 will work for him.

11/12/01 Rec.'d Gov.'s Response back w/ "I now will be in state - might want to schedule. - RM." I called Patrick Taylor and had to leave a v-mail to confirm. I asked him to return my call.

12/31/01 Jill called Mrs. Stricker @ home @ 856-3583 to remind her of this appt. and she said they will be here.
